

**SECTION 00110
NOTICE TO BIDDERS**

FILING OF SEALED BIDS

Sealed Bids will be received by the GMU Office Administrator of the Greenfield Municipal Utilities ("Owner"), at GMU Downtown Generation Plant, 116 SE Jackson Street, Greenfield, IA 50849 until 2:00 PM, on November 3, 2026, for the construction of the proposed Water Treatment Plant Improvements for said Owner, as described in the Specifications and drawings therefore on file in the office of the GMU Office Administrator of the Greenfield Municipal Utilities. Bids will be publicly opened, read, and tabulated on the day, hour, and place specified above, and will be acted upon by the Owner at a meeting of the Greenfield Municipal Utilities to be held at 116 SE Jackson Street, Greenfield, IA 50849 at 8:00 AM, on November 10, 2026, or at such later time and place as the Owner may then determine.

GENERAL PROJECT DESCRIPTION

All Work, materials, and equipment are to be in accordance with the Contract Documents on file in the office of the GMU Office Administrator, and at the office of HR Green, Inc. ("Engineer"), 5525 Merle Hay Road, Suite 200, Johnston, IA 50131, by this reference made a part hereof as though fully set out and incorporated herein.

The Work for the said improvement, as required by the Contract Documents, is generally described as follows:

Furnish all labor, materials, and equipment necessary for the Greenfield Municipal Utilities Water Treatment Plant Improvements including but not limited to the following: installation of approximately 860 linear feet of new 12-inch raw water main; installation of new paved driveway and access drive and associate grading and site improvements; installation of new generator, utility main disconnect, automatic transfer switch, and distribution panel for the treatment facilities; removal of existing steel Trident process units; construction of a new treatment building including flocculation basins, plate settlers, granular activated carbon filters, clearwells, chemical feed equipment, pumps, and associated process, electrical, controls, and mechanical components; and construction of a new ozone building including contact basins, an ozone feed system, and associated process, electrical, controls, and mechanical components.

The Greenfield Municipal Utilities, in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42U.S.C. 2000d to 2000d-4 and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

Work under the proposed Contract Documents shall be commenced upon written Notice to Proceed to be issued on or before December 10, 2026, shall be substantially completed and operational on or before March 16, 2029, and shall be fully completed on or before September 14, 2029, subject to any extension of time, which may be granted by the Owner.

PRE-BID CONFERENCE

Prospective bidders are encouraged to attend a pre-bid walk through of the proposed Work site which will be conducted jointly by the Owner and Engineer at 2:00 PM on October 15, 2026 at GMU Water Treatment Plant (2130 240th Lane, Greenfield, IA 50849). The objective of the walk through is to acquaint bidders with the site conditions.

OTHER PERTINENT INFORMATION

Each Bid shall be made on the Bid Form prepared for this purpose, which may be obtained from the Engineer. Any alteration in the official Bid Form will entitle the Owner, at its option, to reject the Bid from consideration. Each Bid shall be accompanied by a Bid Bond or a certified cashier's check, drawn on a solvent state or national bank, or a certified share draft drawn on a credit union in Iowa or chartered under the laws of the United States, and filed in a sealed envelope separate from the one containing the Bid. The Bid Bond shall be substantially in the form set forth in the Contract Documents. The Contractor's certified check or Bid Bond shall be in an amount equal to five (5) percent of the amount of the Bid, made payable to the Owner. The check may be cashed for the full amount by the Owner or the Bid Bond forfeited in the full amount to the Owner as liquidated damages in the event the successful Bidder fails to enter into contract and file acceptable bonds satisfactory to the Owner assuring the faithful fulfillment of the contract and maintenance of said improvements as required by law within fifteen (15) days after the acceptance of the Bid.

The Owner reserves the right to reject any or all Bids, to readvertise for Bids or to defer action on the Bids received for a period not to exceed 45 days from and after the date and time specified in this Notice to Bidders for receiving said Bids, and to waive irregularities and informalities.

The successful Bidder will be required to furnish a Performance and Warranty Bond and a Payment Bond, each in an amount equal to one hundred (100) percent of the contract price. Said bonds to be issued by a responsible Surety approved by the Owner and shall guarantee that the Principal shall promptly make payment to all persons, firms, Subcontractors, and corporations furnishing materials for or performing labor in the performance of the Work stated and the faithful performance of the contract and the terms and conditions therein contained and the guarantee and maintenance of said facilities in good repair and working conditions for not less than Two (2) year(s) from the Notice of Acceptability of such improvements by the Owner.

Payment of the cost of said project will be made from cash on hand and/or received, payable from any fund or funds of Owner which may be legally used for such purpose, including, but not limited to, any of the following sources, or any combination thereof, at the sole discretion of Owner: (1)

past and/or future earnings of Owner's utility; (2) proceeds of the sale and issuance of General Obligation Bonds and/or revenue bonds (or project notes anticipating the sale of such bonds); (3) federal, State or local grants or loans; and (4) proceeds from the sale of warrants, as authorized by Section 384.57 of the Code of Iowa. Payments will be made to the Contractor in accordance with the Contract Documents.

Construction items and materials included in the Project are exempt from State of Iowa and Local Option Sales and Use Taxes. Contractor is responsible for obtaining the exemption on items included, as provided by law or for applying for reimbursement for such taxes paid. Contractor shall pay all other taxes required to be paid by Contractor in accordance with the laws and regulations of the place of the Project that are applicable during the performance of the Work. Contractor shall NOT include Sales and Use Tax in Contractor's bid. For more information on this exemption, please check the State of Iowa's website: www.state.ia.us/tax/business/Contr-ExEnt-Index.html

By virtue of statutory authority, preference will be given to products and provisions grown and coal produced within the State of Iowa, and to Iowa domestic labor, to the extent lawfully required under Iowa statutes provided that the award of contract will be made to the lowest responsible bidder submitting the lowest responsive bid, which shall be determined without regard to state or local laws whereby preference is given on factors other than the amount of the Bid.

Bidders on this work will be required to comply with the President's Executive Order Nos. 11246 as amended, 11518, and 11625 as amended. The requirements for bidders and contractors under these orders are explained in the specifications. This project has a goal of awarding 1 percent of the total project cost to certified minority owned businesses and 3 percent of the total project cost to certified woman owned businesses.

Your special attention is invited to the attached DBE Subcontractor Solicitation Information Form (SRF Required Front-End Specifications, Attachment 3) and Certification Regarding Debarment, Suspension, and Other Responsibility Matters Form (SRF Required Front-End Specifications, Attachment 2). Both forms must be completed and submitted with your bid proposal. Failure to submit both forms will cause the bid to be rejected.

Bidders shall demonstrate compliance with good faith efforts in order to be deemed responsible. The information shall be included for each MBE/WBE Subcontractor contacted by the bidder, not just those used to meet the fair share objective. By completing the MBE/WBE Subcontractor Solicitation Information Form, you are advising the Owner how the contract goal will be met.

Please be advised that good-faith efforts will be subjected to close scrutiny and if the good-faith effort submission is unacceptable, your bid will be rejected.

These forms are included in the State Revolving Fund (SRF) General Conditions found following Section 00800 in the specifications.
